

Georgia DECA Best Practice

Topic/Idea: Improving Students' Testing Ability (Competitive Events)

Goal/Objective:

To improve your students overall understanding of marketing vocabulary to improve testing ability at competition.

Materials needed:

Database of testing materials or DECA.org website

Procedures/Guidelines/Instructions:

Pick one day a week to give the 10 question tests off the DECA website as a "warm up" to expose them to marketing terminology, etc. in order to better prepare students for testing at competition.

Impact on Program:

Students become more familiar with terminology as well as format of test questions for competition.
