

We are pleased to have been selected as one of the hotels for this week's tournament/competition. Most athletes, coaches, chaperones, and parents understand the need for responsible behavior while staying in a hotel. Therefore, for the comfort and safety of all of our guest, we have instituted the following polices:

1. The guest signing for each room(s) will be the person responsible for that room actions.
2. Please conduct yourself as ladies and gentlemen. Proper dress is required in all common areas of the hotel.
3. Please refrain from congregating in the halls, lobby and walkways. Please remember we have other guests in the hotel that are not apart of your group.
4. When departing or returning to the hotel, please do so in a mannerly and quiet fashion.
5. Please keep your rooms as orderly as possible. If you order food to be delivered from outside of the hotel, please dispose of the leftovers properly.
6. An adult is required to be with minors in the hotel public areas at all times. Coaches, chaperones, and parents are responsible for the team member's actions.
7. While in your room, please keep the television and radio volume at a moderate level. Also, please remember that talking voices carry through walls-please keep conversations at a moderate level.
8. Pulling fire alarms is a felony offense and will not be permitted.
9. Loud, obscene or boisterous behavior will not be tolerated and will result in only one warning.
10. A curfew of 10:00pm is in affect-please reduce your sound levels (talking, televisions, radios, etc.) to a low level at that time for the remainder of the night.

We know that the vast majority of our guests realize that these rules are for everyone's benefit, including their own. However, in the event that any person(s) or registered guest found NOT in compliance with any of the above rules, they will be subject to immediate eviction from the hotel by management or security, without refund (and will be charged for the full length of the reservation).

In addition, we have been instructed by the host organization of this tournament/competition to report such eviction to them, as it may have consequences to that team's status in the tournament.
