

Region Eligibility for State CDC

Each year the DECA Board of Directors reviews the Region participation from the previous year and Region changes are made based on the number of participants per Region. Every effort is made to see that each Region has equal representation based on # of participants. Region participation will continually be evaluated each year and also as new programs are added. If you have a specific request for your school or your region, PLEASE PUT IT IN WRITING to the GA DECA State office for review in the summer. Thanks!
