

Georgia DECA Region Online Testing January 23-25, 2012

General Information

This year Georgia DECA has provided another opportunity for your students to experience competing in a DECA competitive event! The Online Testing Process will test your student's knowledge and allow them to get recognized before other DECA members from across the state.

Online testing will be open January 23-25, 2012. **You can test students at different points throughout the three days, beginning at 8:00am on Monday, January 23rd and ending at 5:00pm on Wednesday, January 25th.** Your proctor must be present for your testing period. It would work out best to pick a set time or two for students to test. Do not wait until the last day in case you experience technical problems.

Testing Time Blocks

You will need to designate a testing time block on your proctor's form so that he/she will receive the correct password. Passwords will be changed for each time block. A maximum of **2** time blocks will be allotted per chapter.

Time Block #1- Monday, January 23 rd	8:00am-12:00pm
Time Block #2- Monday, January 23 rd	12:00pm-4:00pm
Time Block #3- Monday, January 23 rd	4:00pm-8:00pm
Time Block #4- Tuesday, January 24 th	8:00am-12:00pm
Time Block #5- Tuesday, January 24 th	12:00pm-4:00pm
Time Block #6- Tuesday, January 24 th	4:00pm-8:00pm
Time Block #7- Wednesday, January 25 th	8:00am-12:00pm
Time Block #8- Wednesday, January 25 th	12:00pm-4:00pm

A student can only take **one** test. There will not be any additional testing times past the testing window.

As of now, the online testing link is not available, it will be available at 7:30am on Monday, January 23, 2012. The network administrators need to know this ahead of time so they can add it to the list of trusted sites.

3. Secure a non DECA/Marketing related testing proctor. This person will receive the secure password from Georgia DECA to log your students into the system when they report to test. Suggestions include librarians, counselors, administrators, IT staff, etc.
4. Make sure that you as the advisor AND each proctor that you will plan to use has completed and signed the Security Agreement Form and faxes this back to Georgia DECA by **January 19, 2012**. Without this form, we will not allow your students to test.
5. Ensure your students are registered in the online system by midnight on January 19th. After this time frame, there will be no refunds. If a student cannot test, make sure to take them out prior to this deadline to avoid being charged. Registration opens December 2011.
6. Send your payment to the Region host no later than January 19, 2012.
7. Confirm the testing times with each of your students and ensure they know where they will be testing.
8. Proctors will be emailed login instructions and a proctor script the afternoon of Friday, January 20th. Without this documentation in hand, they will not be able to log your students in for competition. Please verify they get a copy of this.
9. If in doubt about anything, call the state office at 770-630-3967 so we can help you have a successful testing week.

Things to Know

All tests will be available between 8am-8pm during the 3 day testing window. A proctor (non DECA/Marketing) must be available to access the online system. Timing of the test session will begin when the test/questions are presented, not when the first question is answered. Responses will be automatically submitted when the time expires. The time limit will be 90 minutes for each test. Tests will consist of 100 multiple choice questions.

The entire test is accessible throughout the test session. Please review the use of scroll bars with competitors prior to testing and remind them not to close the testing window. Closing the test window terminates the test without scoring and disqualifies the competitor in this event.

Proctor Instructions:

- a. Go to the testing site (listed above) for your region
- b. Put the Participants ID in the Login ID field
- c. Put the Password into the password field
- d. Click Login
- e. The students “allowed test” list will be shown, they click Select, and Start to test.
