

RACHEL MONTROIS

Georgia DECA Vice President
Civic Consciousness

Life; it's all about taking chances; about doing something everyone said you couldn't do; it's about acting goofy; it's about not caring what other people think; it's about learning to love what you have.

Be more concerned with your character than your reputation, because your character is what you really are while your reputation is merely what others think you are.

Four year DECA member; senior at Chestatee High School in Gainesville, Hall County; enjoys softball, wakeboarding, DECA, and hanging out with friends and family; plans to attend college and major in the medical field.
