

State Action Team

Developing Future Leaders in Marketing, Management and Entrepreneurship

Fellow DECA Members & Advisors:

The GA DECA State Action Team would like to take this opportunity to thank everyone for attending the 2008 Fall Leadership Development Conference. With the participation of so many wonderful DECA Chapters, our conference was a success. Our greatest success was coming together to raise close to \$15,000 for the Georgia Cancer Foundation with our Breast Cancer Fall Community Service Project. Thanks to all chapters who donated!

The State Action Team would also like to congratulate all of the GA DECA Statesman Award winners and all who participated. Thank you for putting forth the effort to learn about our Career and Technical Student Organization.

The Silent Auction this year was a huge success. Overall, we raised \$900 which will go towards scholarships. Chapters were able to express their creativity and all rose to the challenge.

Many of you attended the pre-conference workshops offered by the State Action Team. Thanks for attending and supporting us. Those of you who attended the College Fair, we hope you enjoyed talking with the representatives and this will help you with your future post secondary plans.

Our Fall Leadership Development Conference was a tremendous kick off to what will be one of the best years for Georgia DECA. The State Action Team encourages you now to begin preparing for your region and state competitions! We want to represent the great state of Georgia at ICDC this Spring by having more national winners than ever!

Sincerely,

Christin Samples
